Sir:

Pursuant to Rules 56 and 98, Applicants calls the attention of the Patent Office to the references listed on the attached Form SB/08 which are also listed below:

This IDS cites US patent no. 6,864,314 and an Office action from the prosecution of US '314. US '314 matured from US patent application no. 09/698,149 which is already of record. US patent application no. 09/698,149 was submitted in an IDS on July 1, 2003 and considered by the present Examiner.

The IDS also cites US patent no. 7,335,799 and an Office action from the prosecution of US '700. US '700 is a continuation of US patent application no. 09/698,149.

The inventors of the present application and US patent application no. 09/698,149 overlap. Copies of the above-mentioned Office actions are enclosed.

Applicants present these references so the Patent Office may, in the first instance, determine any relevancy thereof to the presently claimed invention. Applicants respectfully request these references be expressly considered during the prosecution of this application and made of record herein and appear among the "Reference Cited" on any patent to issue herefrom.

This IDS is submitted after the first action on the merits thus the fee is enclosed. However, if the Office deems any additional fee due please charge it to Deposit Account No. 14-1437.

Respectfully submitted,

Date: October 29, 2009
